Subject: TriOptima v Quantile -- follow-ups from June 22 meet-and-confer

Dorothy, as promised, here are the follow-ups due today:

- Yes, we will have additional technical documents to produce, including in our next production.
- No, we will not agree to put firm dates / terms around reduction of claims at this time, and reiterate our position that the parties should revisit this issue later in the case, i.e., around the time of the parties' Joint Claim Construction Chart.

Let me know if you'd like to discuss.
